Agriculture – current status

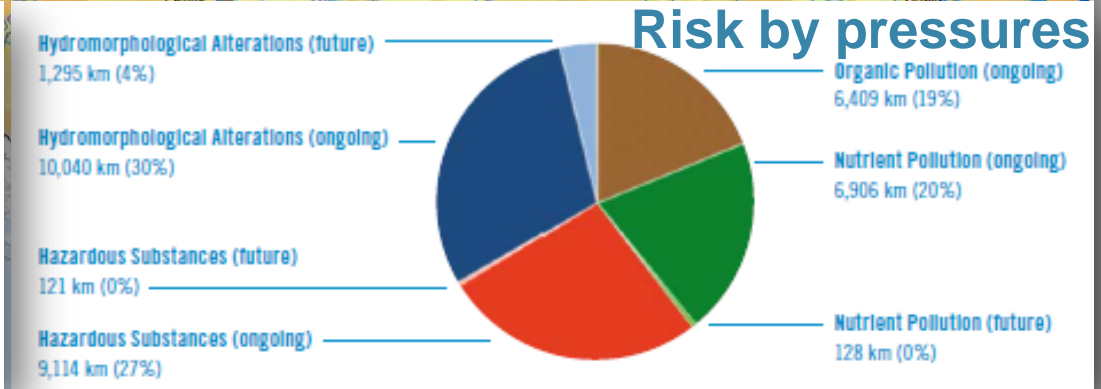

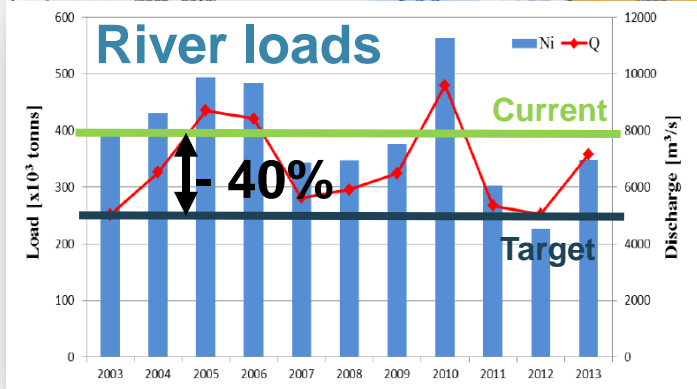

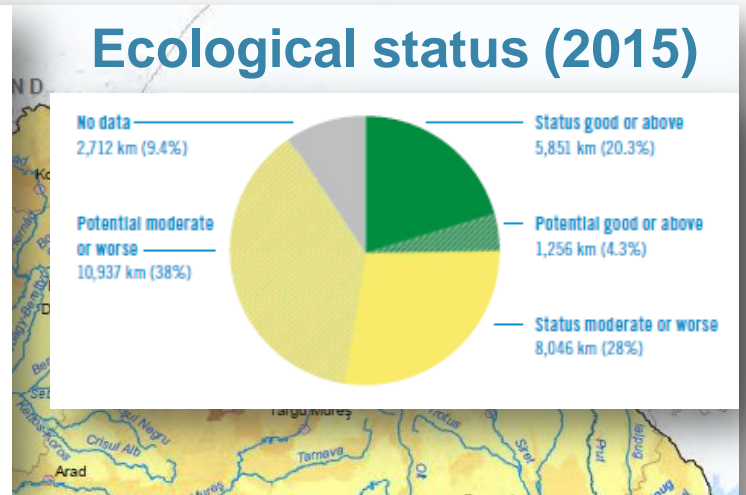

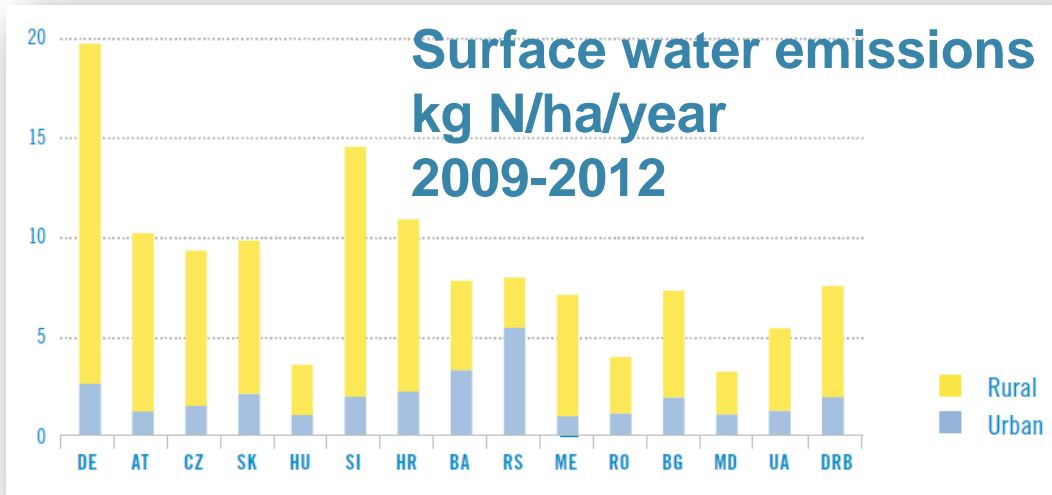

65 billion EUR from CAP

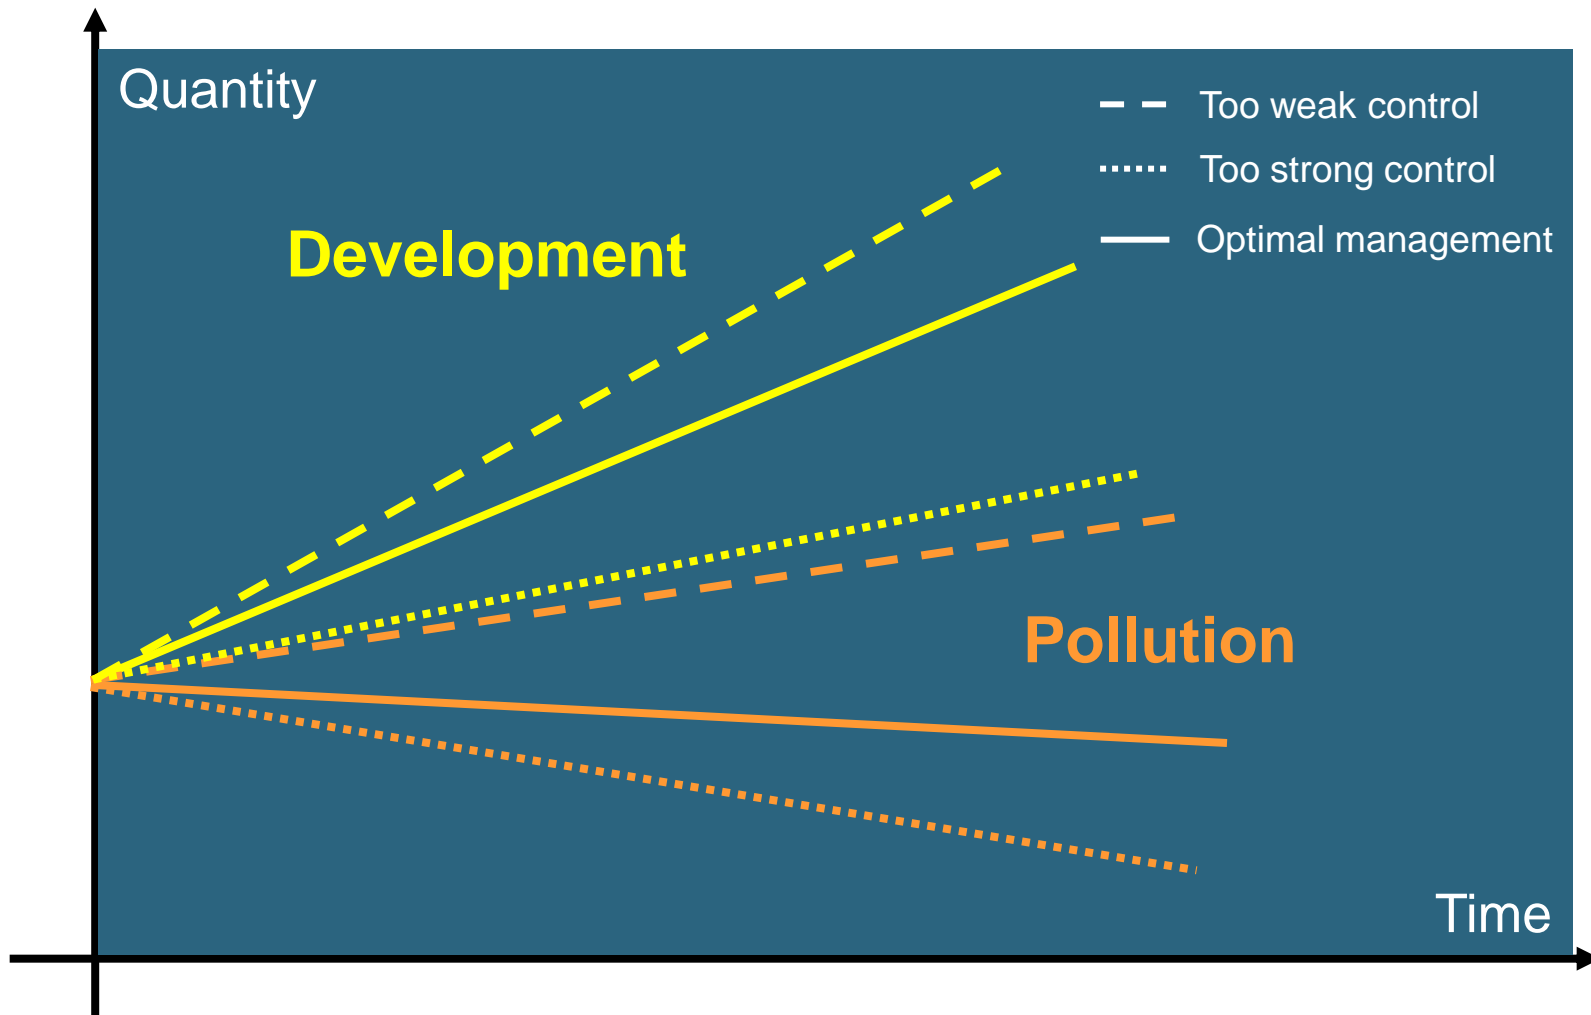

60% of the territory with NAP

Nitrogen pollution – current status

Decoupling development of agriculture from pollution

Towards sustainable agriculture – ICPDR Guidance

ICPDR IKSD

International Commission
for the Protection
of the Danube River

Internationale Kommission
zum Schutz der Donau

Take home messages

- **Decoupling** agricultural development from pollution is possible
- Water and agricultural policies need to be **aligned**
- **Policy framework** is needed for consistent approaches
- **Cost-efficient** and targeted measures should be promoted

Thank you for your attention!
