

Sendai Framework for DRR and EU macro-regional strategies

Karolina KALINOWSKA
Disaster Risk Reduction and EU Aid Volunteers
DG ECHO, European Commission

Joint meeting of macro-regional coordinators

Budapest, 17 November 2017

EU Overview of Risks

Basis:

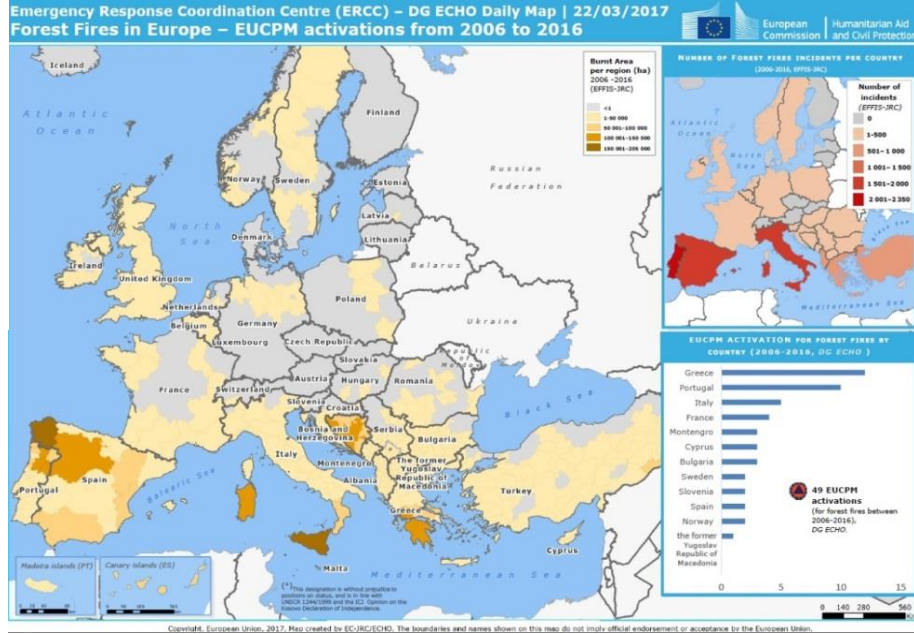

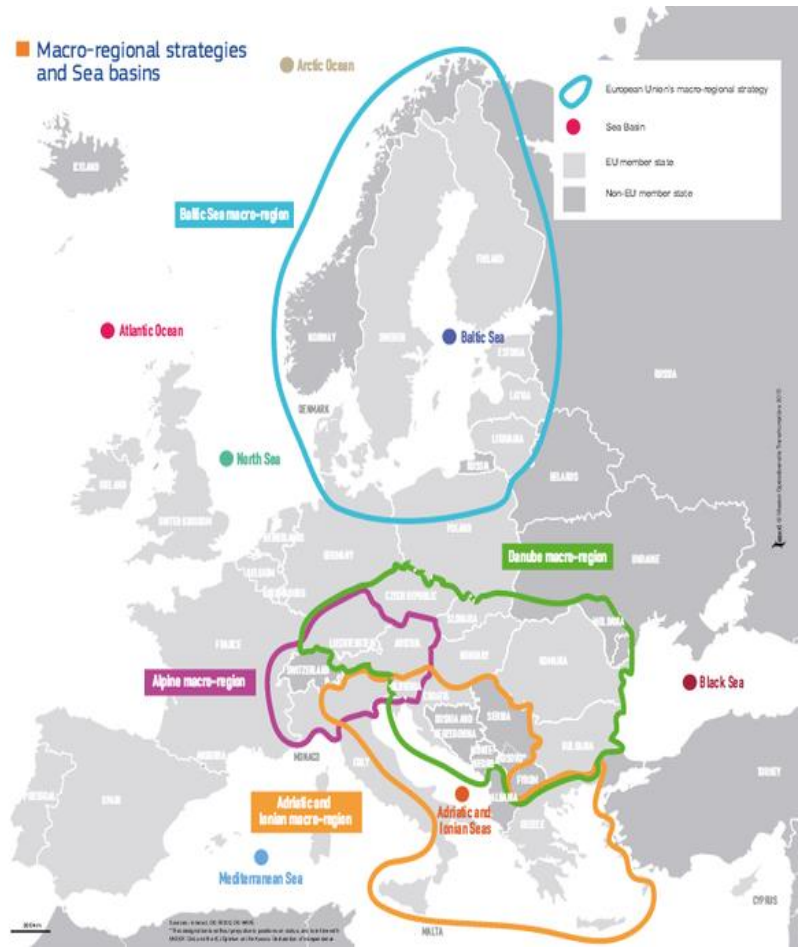

- National Risk Assessment summaries
- EU policy and operational instruments

Key findings:

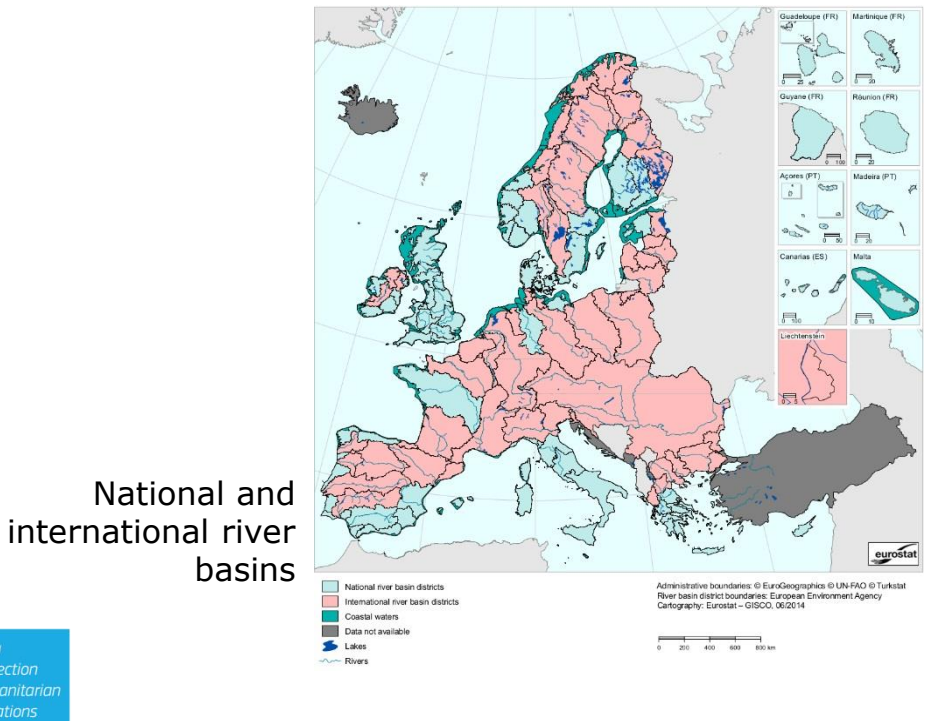

- 11 key common risks
- Climate change impacts
- **Cross-border dimension of risks**

Disasters do not know borders: nor do their risks

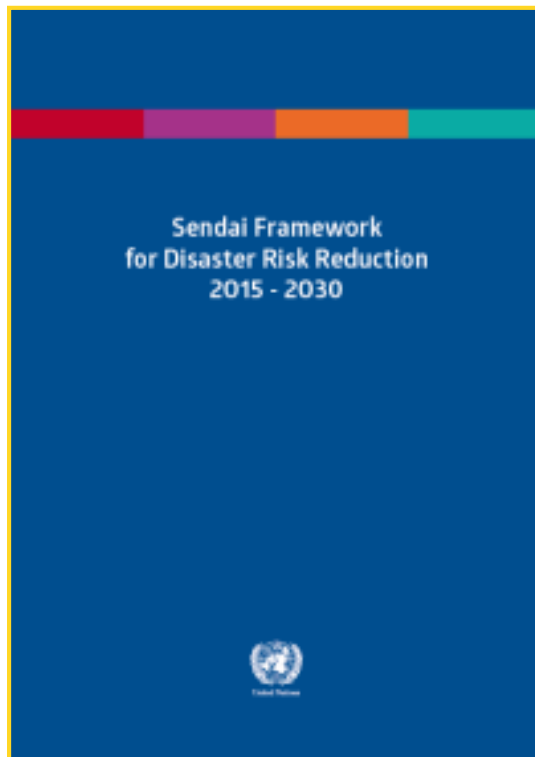

Forest Fire events in Europe, 2006-2016 (DG ECHO, 2017)

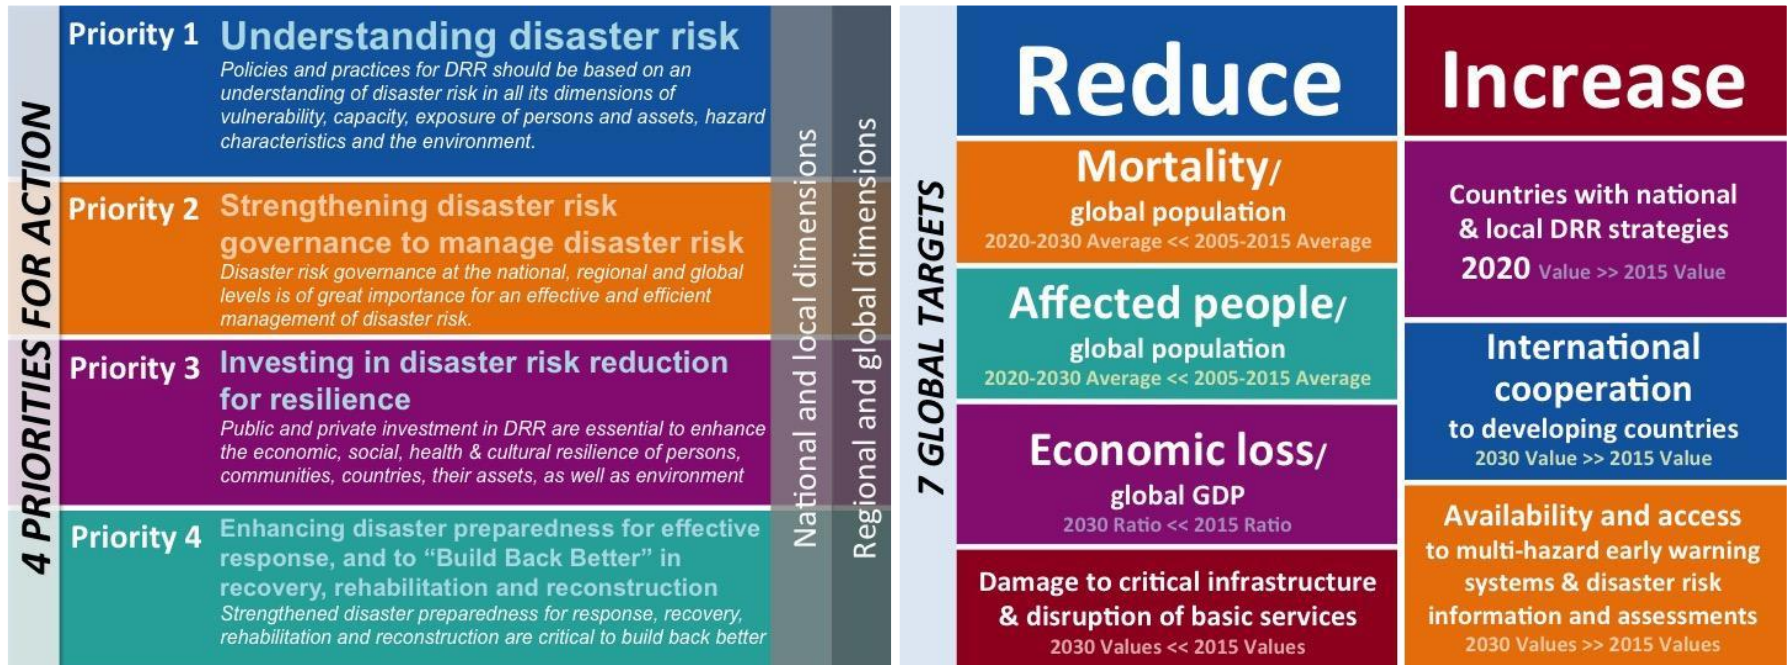

Policy context

- ▶ *Decision 1313/2013/EU on a Union Civil Protection Mechanism (binding for Member States)*
 - **Articles 5 and 6 – prevention and risk management**
- ▶ *Sendai Framework for DRR (non-binding commitments)*

Sendai Framework for DRR

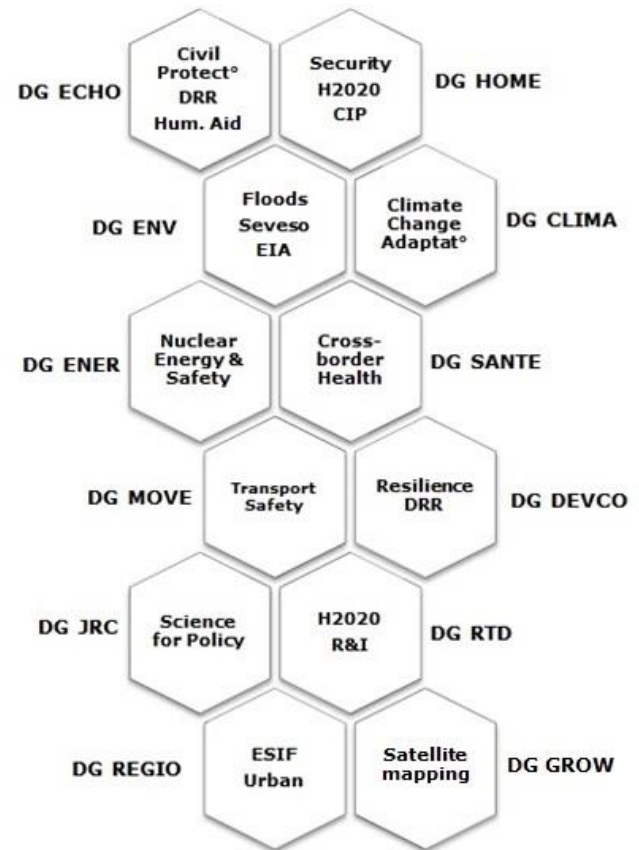

Sendai Framework for DRR

Sendai Framework ► EC Action Plan

Purpose: "A disaster risk-informed approach for all EU policies"

4 KEY AREAS

(1) Build **RISK KNOWLEDGE** in EU policies

(2) An **ALL-OF-SOCIETY** approach in disaster risk management

(3) Promote **EU RISK INFORMED INVESTMENTS**

(4) Support the development of a **HOLISTIC DISASTER RISK MANAGEMENT** approach

21 PRIORITIES

For example:

2. Use **foresight, scenarios and risk assessment** for better preparedness to existing, emerging and new types of risks

5. Facilitate exchange of good practices and improvements in disaster management policy and operations through **mutual learning and expert review**

8. Strengthen the links between **disaster risk management, climate change adaptation and biodiversity strategies**

19 Facilitate **capacity building of local & national authorities and communities** in managing disaster risk

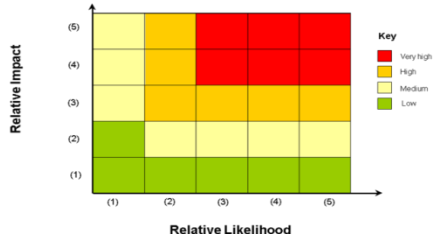

51 ACTIVITIES

For example:

3.2 Strengthen the role and scope of the Disaster Risk Management Knowledge Centre (DRMKC) as the European Commission's main point of reference for disaster risk management network-building, knowledge building and sharing

10.1. Ensure regular exchange of good practices on design and implementation of all-inclusive local and national strategies and plans for disaster risk reduction

11.2 Support projects strengthening the disaster risk management capacities of regional inter-governmental organisations
