Composition of NC meetings

- (1) Each EUSDR participating state shall appoint an NC who becomes a permanent member of the NC meeting, until further notice of the participating state. NCs have the right to choose their representatives by appointment of substitutes or by sending delegated substitutes to the meetings. In justified cases, the participating states may nominate more than one NC. - (2) Decision-making in an NC meeting will be done by consensus among all participating state delegations. According to the "one state one vote" principle, each participating state delegation shall have one vote. In case of opposition by one or more state delegations, the Presidency, or a representative appointed by the Presidency decides whether the decision is postponed or defeated. Votes cannot be delegated to other states. State delegations have the right to abstain from voting. An abstention does not count against unanimity.
- (3) The Presidency can initiate a written decision-making process (written procedure) by sending a draft decision and related documents to all state delegations, which shall have at least 10 working days to respond in writing to the Presidency. In case of issues, which require national coordination, the period can be adapted to those needs. In the absence of any reaction, it will be deemed as a silent agreement. The use of written procedures should take due account of holiday periods.
- (4) If a written objection is raised, the matter shall be discussed bilaterally between the Presidency and the participating state delegation raising the objection and, in case no solution is found, it shall be put on the agenda of the next NC meeting.
- (5) After the written response period of 10 working days has expired, the Presidency shall inform all NCs whether the decision is deemed to be taken or whether objections have been raised. The Presidency shall decide whether defeated and postponed items will be placed on the agenda of the next NC meeting.

Article 9

Agenda of the NC meetings

- (1) The Presidency, together with the TRIO Presidency, shall draw up a provisional agenda for each NC meeting. The draft agenda shall be sent to all participating stakeholders at least 15 working days before the beginning of the meeting.
- (2) The draft agenda shall indicate for each item whether a written document shall be provided by the Presidency. Documents for discussion at NC meetings shall be sent to NCs at least 10 working days (15 working days in case of foreseen vote) prior to the meeting, unless exceptional duly justified circumstances require circulating a document closer to the date of the meeting.
- (3) The draft agenda shall contain items from NCs submitted as a request for inclusion on the agenda and received by the Presidency. The provisional agenda shall also indicate items for which the Presidency may request a vote.
- (4) Any request to put an item on the agenda (except for points under "any other business / AOB") must be communicated to the Presidency, or a representative appointed by the Presidency at least five working days before the date of the meeting. If there is evidence of urgency, the members can propose to add other items to the agenda at the meeting itself. Their final inclusion will be subject to approval by NCs at the meeting.
- (5) If a request for changing the provisional agenda is made, the Presidency shall send to the NCs the revised agenda including all items on which a decision shall be taken.
- (6) The final agenda is adopted at NC meetings as the first item of the agenda.

Article 10

Minutes of the NC meetings

- (1) The Presidency, supported by the EC and the DSP, shall be responsible for drafting the minutes of the meeting. It will circulate, after consulting the TRIO Presidency, provisional minutes to the NCs within 10 working days following the meeting.
